## GREEN PRODUCTS

### GREAT OUTDOORS

9. Designed by John Reeves for Henry Hall Designs, the Cast Outdoor collection is made of 100 percent recycled aluminum with a durable zinc plate patina finish and FSC-certified teak wood. The collection includes a rectangular dining table and side chairs (pictured), square and round tables in a range of sizes and a bench. [henryhalldesigns.com](http://henryhalldesigns.com)

### FRIENDLY FIRE

10. Morso's wood-burning stoves are eco-friendly and energy efficient. The emission of particles during burning is reduced to a minimum through refined combustion technology and advanced purification systems; the stoves are made using 98 percent recycled materials. Pictured here, a wall-mounted stove in cast iron. [morsona.com](http://morsona.com)

### COLOR SCHEME

11. Mythic paint—the only latex paint that is non-toxic with zero VOCs—has launched a high-end line called Mythic Black Label. Serving as both paint and primer, it's available in 1,232 colors and in semi-gloss, satin and matte finishes. It features the company's New Color Capture Technology, which provides richer, more lasting pigments. [mythicpaint.com](http://mythicpaint.com) ❖
